JULY - FAMILY GOLF MONTH

Take your family golfing and enjoy a day outside walking through beautiful rolling fairways, sharing special conversation, and simply spending quality time with each other. July 1 – July 31

BRING YOUR KIDS TO THE GOLF RANGE

The Golf Range Association of America and Golf Digest are happy to team up and present "Bring Your Kids to the Golf Range." In today's world, it seems like people don't have the time to play a traditional round of golf. As a result, Play Golf America provides families with numerous options to enjoy the great game of golf, yet not commit to playing a full 18 holes.

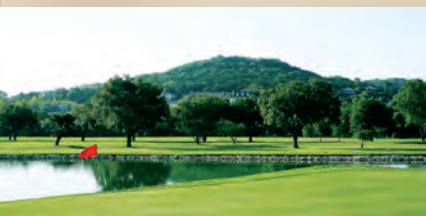

A great family activity can be to go to a near-by golf range and hit a few buckets of balls. From learning to grip the club to a high-tech lesson, going to the range can be a great day or night out for families. To make it easier, golf ranges across the country will be participating in this event.

Kids will receive a small bucket of balls free with the purchase of a large bucket for the adults.

TAKE YOUR DAUGHTER TO THE COURSE WEEK

July 6 – 12 is the week to share your favorite sport with your favorite girl during Take Your Daughter to the Course Week! The young ladies will be offered free greens fees when accompanied by a paying adult all during the week. Use this opportunity to take your daughter, granddaughter, or niece to Schreiner Course and introduce her to your favorite pastime.

Dates: July 6 – 12
Fee: Free greens fees for young lady; regular price for accompanying adult
Ages: Young ladies 17 and under

Free Small (Kids) Bucket of Golf Balls with purchase of large (adult) bucket.

Present this coupon to receive a small bucket of balls with the purchase of a large bucket of balls when you bring your kids to the golf range.
